

From aardvarks to zebras, if you breed it or if you need it...

... you've come to the right place!

All Animals On The .Net is a totally new concept in online directories.

Here you will find a comprehensive list of the best breeders of registered animals (and birds and fish and reptiles and whatever...).

Based in Australia, but available worldwide, not only will you find comprehensive information and contact details with each stud listing, many also have VIDEO!!

Imagine being able to SEE the stud animal, or the puppy, or the litter, right there on your computer, in a full-colour video.

Of course, all we can do is help you to find your dream animal. The decision whether to buy is completely up to you, but we'll do all we can to help you fall in love!

*If you have any suggestions for animals, or breeders, you would like to see on this site, please please pretty please, [contact us](#) at [office@allanimalsonthe.net](mailto:office@allanimalsonthe.net)!*
